**Plant Sale Days!**

## Questions to Ask:

1. How many days until ready to harvest?
2. Colors?
3. How does it taste?
4. How can you cook with it?
5. Why else should we choose these?

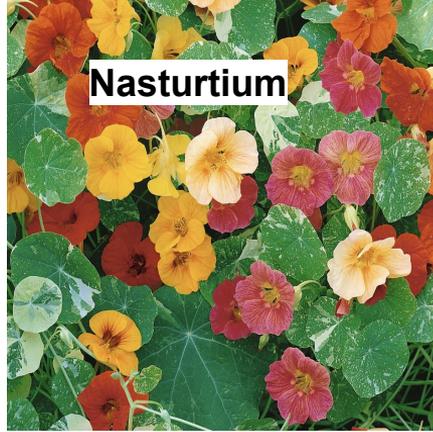

**Cherry Sweetie**

Example: Even though Cherry Sweetie tomatoes take a bit longer to ripen, it is worth it because they are so sweet! They taste like dessert - great for snacking off the vine or in salads.
